

# Think Safety

## Hazwoper 8, 24 and 40 Hour General Industry 10 Hour Training Programs

**Swager & Associates, LTD.**

**When you think of OSHA what comes to mind:**

Compliance  
Training  
General Safety  
What courses do we need?

**We never have time to train when our employees are in the field.**

One day training programs can complete all your training needs.
